## President's Message

#### Larry Crosbie

Spring is finally here! So, we plan to repeat our drive and dine cruise with the Owensboro Corvette Lovers Club. Also, we are making it bigger and better by including the Evansville Tri-State area corvette club to join us. Please mark your calendars for **Sunday May 20**. We will cruise to a bed and breakfast in Sonora, KY famous for their annual Cajun "Shrimp Boil and Jambalaya" feast. We will leave the Museum at 1:00 p.m. (hopefully to give you time to go to church also).

Once again the Spring Bash was a great success. Let me formally thank all the volunteers. Hopefully, because of the documentary work of Teresa Hart, I will be able to report the hundreds of volunteer hours our club has donated to the Museum last weekend.

Please use your username and temporary password to log on to our website and set up your personal accounts. Soon we will be moving away from Listserv and communicating through our website email system. In this way we will have a more accurate and complete way to review and sign up for club activities. With your participation, we should be able to improve critical club communications. Even Skidmarks will be accessible via the website.

Come to the Kayser Derby Party next Saturday. Check the Events Calendar on our new website (clbg.us) for more details on this and all upcoming events.

See you on Derby Day!

#### **IMPORTANT SKIDMARKS INFORMATION**

The times, they are a-changin'

You no doubt will notice a few changes to Skidmarks this month. We no longer are publishing the Membership Meeting Minutes or the Financials as part of Skidmarks. All three documents are now separate, and can be accessed on the website, <a href="http://CLBG.US/">http://CLBG.US/</a>. All three documents now have the back issues archived, and you can pull up any month from the prior few years with a click. When you have signed on to the site, be sure to check out the "Library/Documents" selection on the menu to find documents.

## AND THE AWARD GOES To... Two of Our Own Win at the Bash

Sheila Best - Yes, it's my 2006 Corvette. I received an award at the "All Corvette Celebrity Choice Car Show" at the NCM Bash on Saturday. Retired Quality Manager, Steve Grilli, selected my car. He commented that I was a very enthusiastic Corvette owner, yellow was his favorite color, and my beautiful C6 was built during the time he worked at the Assembly Plant.

Continued...

Bob Harder - Kevin Mackay, known as The Corvette Hunter, attended the National Corvette Museum Bash as a Celebrity Guest. Kevin was there to sign copies of a new book about him and his quest for unique Corvettes. Kevin and his company, Corvette Repair, have won numerous awards and have been featured in hundreds of magazines for their restorations of significant Corvettes (The Bounty Hunter; Cunningham Le Mans Winner; 1953 Corvette # 003 etc.). Kevin participated in the Celebrity Choice car show, and selected as his favorite, my C5 / 1958 Conversion. Kevin wrote, "1958 Corvette Look! Just Love it! A real eye catcher! I need to get one of these." I did get his autograph on my copy of his book.

# ENCOUNTERING THE ARK April 19, 2018

Two by two, they took to the road to visit the amazing Ark Encounter in northern Kentucky. Included on the trip were Fred and Diane Kayser, Larry & Mona Beam, James and Judy Wafer, Bob and Cindy Whittaker, Larry and Vickie Crosbie and Mike and Cheryl Crawley. Check out the Photo Album on our web site for many more photos!

# CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR Fred Kayser

I want to thank everyone for their volunteer support during the April Bash. The NCM is very appreciative of our efforts.

The weather has been getting warmer and cruising time is here. Cruise over to the NCM and MotorSports Park for an enjoyable day.

There is a relatively new video series available on the NCM's website titled Moore Mondays that is very interesting. Derek Moore, the NCM curator hosts this weekly video.

The MSP has many events scheduled during the month of May. Take a look at the calendar at <a href="https://www.motorsportspark.org">www.motorsportspark.org</a>. Spectators are welcome at most events. If you are looking for a safe place to get some exercise, then go to the Trek at the Track event that occurs on Tuesdays from 5p.m. to 7p.m. It has been a very popular event. A bonus is that it is free.

A 2019 Long Beach Red Stingray convertible is scheduled to be raffled on May 10.

Membership in the museum has many benefits. If you are not presently a member, please consider becoming one.

# DRIVE & DINE WITH THE CORVETTE LOVERS OF OWENSBORO April 14, 2018

Our good friends in Owensboro invited CLBG to join them in Greenville, KY, for lunch. We have been waiting way too long this Spring for good cruising weather, and we didn't get it on this day! But the desire for good companionship and good food overcame the unfortunate weather, and three couples drove up to join the Owensboro club.

Charleen and Linn Marsh, Vickie and Larry Crosbie, and Susan and Terry Jordan made the drive (even though their Corvettes stayed dry at home!). We ate at Papa Manzo's and all thoroughly enjoyed the company of our neighboring club.

## CORVETTE FOR SALE Bill Hullhorst

Hi Corvette fans,

Due to my senior years I have to part with my special friend, my 2004 coupe. The car has 74,730 easy miles, has been garage-kept, and is in very good condition, inside and out. It is has a transparent roof, automatic transmission. It is torch red with light oak interior.

It has the original window delivery sticker with all of the information. It has most all options including Power Axle, Preferred Equipment Group, Head Up Display, Corsa Exhaust and new tires.

I am asking \$14,800.

Please call 270-904-6664 or email <a href="mailto:bandehullhorst@twc.com">bandehullhorst@twc.com</a> for more information or to see the car and take a test drive.
