

PRESIDENT'S MESSAGE

GARY COCKRIEL

Hi Gang. Welcome to all new members.

From Hot and Dry to Raining and Wet! Pray for our Eastern KY folks that have all the flooding. Also don't forget our friends that are on our Sunshine list.

We had a good Corvettes & Coffee on June 11th at the Q. The next one will be at Just Love Coffee Café on August 13th. We had a Great turnout for our Tuesday's with Torie in July at Chuy's. Hope you can make the next one. We'll let you know where as soon as it is scheduled.

We had a good trip on Saturday, July 16th going to the Days Gone By Museum in Portland, TN. Thanks again to Robert Elrod and Barry Brown for setting this up and leading the way.

July 31 thru August 5th is the Vintage Chevrolet Club of America Event. Lots of meetings and activities at the Sloan Convention Center. Most of the cars will be at the MotorSports Park on August 2.

We have several things on the web site. Take a look as you need to register for many of them just so we can get a good head count: On August 21st we'll have another Garage Tour Cruise. It starts at 1:00 p.m. After the tours we'll have dinner at Split Tree BBQ. August 28th is another Corvette Sunday at our very own Gene and Melanie Vincent's church, Flat Rock Fellowship Baptist Church. It's no charge but they need a head count so they can get enough food and drinks. Sign up on our web site.

Remember to sign up with the NCM as a volunteer for the Anniversary Labor Day Event. This is one of the events that helps us pay our rent for our meeting place.

Don't forget the meeting on August 6th.

Be Safe & Have Fun!

CRUISE TO DAYS GONE BY MUSEUM

July 16, 2022

19 Corvettes, 38 members, one great outing! Although the Summer heat threatened to “cool” our enthusiasm, the extra nice drive, unique museum, especially tasty lunch and most of all, the unbeatable camaraderie made this one hot event – in all the best ways! Robert Elrod pulled this all together for us – thank you Robert! This is just a sample of the photos capturing the day. Go to the website – Photo Gallery to see all of them and even download any photo you would like.

Off and running
over beautiful KY
roads.

5 Chefs – as pretty as it is tasty.

Look in your mirror – somebody wants
to pass.

Amazing miniature

NCM website... There is a wealth of information available on the NCM website (<https://www.corvettemuseum.org/>). At the top of the home page is a drop-down button which is labeled "Membership". One of the options included under that tab is information about the benefits and costs of the various levels of membership. Of interest to current NCM members is the "Members Only" link. After setting up a username and password, a member has access to a great deal of information that is only accessed through that page. Details about your membership, including join date and contact information can be seen. Members can even print out a new membership card via the Members Only page.

So what's all this "tracking your car" talk about?... Let's say that you don't really want to take your car out on the track. Or let's say that you are a little bit squeamish about driving one of the NCM Motorsports Park's cars. Here is an answer that might satisfy your curiosity about being out on a racetrack at high speeds. You can schedule a ride-along with one of the Park's instructors. As a bit of firsthand advice: A high dose of Dramamine might be advisable. The passenger's seat tends to work on your head.

Motorsports Park upgrade... If you haven't seen the artist sketch of the plans for the future upgrade/expansion of the facility, you need to check out the pictures. They are very impressive. The plans call for a rooftop bar and greatly expanded observation deck. The plans also call for an updated Kimberlee A. Fast Pavilion which will include a dining area with a fully operational kitchen. That building will also include a viewing area for spectators and a track side patio area. The future look of the Motorsports Park is going to be greatly enhanced and that is sure to bring nationwide attention from racers and fans as well. Visit their site to view the plans:

Corvette Raffle Minutiae... Here are some statistics concerning the NCM Corvette raffles that fall into the category of *more than you ever wanted to know*. Although this may help you answer some trivia questions – or not.

In the first 6 months of this year there were 9 raffles conducted. The winners resided in Louisville, KY; Little Valley, NY; Maine, MI; Webster, NY; Ashland, OH; East Hills, NY; Reno, NV; Cleves, OH; Laporte, IN. During the months of January thru April, a little over 90% of the available tickets were sold.

Corvette Raffles ... Currently, raffle tickets are available as follows:

- **2023 Silver Flare Corvette Coupe to be raffled on 8/18/2022. Tickets available: 816 of 1500. \$150.00 per ticket.**
- **2023 Arctic White Corvette Convertible VIN #0001. To be raffled on 9/2/2022. Tickets available: 1456 of 2023. \$300.00 per ticket.**
- **2023 Red Mist Corvette Coupe to be raffled on 9/3/2022. An unlimited number of tickets to be sold for this raffle. \$20.00 per ticket.**
- **2023 Arctic White Corvette Coupe to be raffled on 9/22/2022. Tickets available 1946 of 2000. \$100.00 per ticket.**

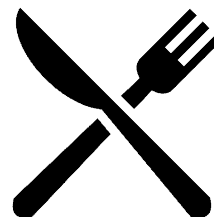

(Tickets can be purchased at: <https://raffle.corvettemuseum.org/>)

RECIPE OF THE MONTH!

No Churn Key Lime Ice Cream

We have here the perfect dessert to cool the summertime heat. It takes one of my all-time favorite taste treats, key lime pie, and turns it into ice cream. Plus (and this is a big plus) it is so, so easy! Making an ice cream buffet? Add another flavor - No Churn Chocolate Ice Cream, which uses the same method only, well, chocolate. You'll find it in the recipe tab under desserts.

Ingredients:

- 2 cups heavy whipping cream
- 1 can sweetened condensed milk
- 1/2 cup Key Lime juice (not regular lime, must be Key Lime – Kroger's carries it)
- 1/2 teaspoon vanilla extract

Directions:

- Stir together sweetened condensed milk, key lime juice and vanilla in a medium bowl. Set aside.
- In separate bowl, whip heavy cream until stiff peaks form (do not over beat.)
- Fold all of the whipped cream into the sweetened milk mixture until even, smooth texture. (Be gentle – don't beat or over-mix)
- Pour into a 2 quart container, cover with plastic wrap and freeze for at least 6 hours or overnight. A 9-x-5 loaf pan works perfectly for this.

Susan's Notes:

- Serve your ice cream with a graham cracker or crumble a few graham crackers and use them as toppings, and you will officially have created a "deconstructed" Key Lime Pie!
