

PRESIDENT'S MESSAGE

GARY COCKRIEL

Hey Gang. Welcome to new members! We have been getting a lot of new people and we are very proud of that. To all the new members - make yourself at home and enjoy your fellow Corvette friends.

Several members' friends and family have been under the weather in some form or another. We wish all a speedy recovery.

We had a very good day doing our garage tour event! Thanks to the Holt brothers and Garry and Mary Luterek for opening their garages!

What a Great day for our Corvette Sunday. We had 26 Corvettes turn out! The people at Flat Rock Fellowship Baptist Church always puts on a big spread. They went out of their way to make us feel welcome. Everything went very well until someone put the coleslaw in the oven! Oh well, we had plenty anyway! Thanks to members Brother Gene and Melanie Vincent and all the Flat Rock church members your hospitality.

We had a big crowd at Tuesday with Torie on August 30th at Longhorn. I think there were 34 people there. Great fun and good food! Please try and make the next one. We'll make sure you know when and where it will be.

We are starting to slow down some for this year, but we still have several things planned through the end of the year. Keep an eye on the club calendar on our web site.

By the time you are reading this we will have made it through another Corvette Museum Anniversary celebration. I want to thank every one of you who came out and volunteered to help in many ways. We also stepped up on a few other NCM events this year and, again, I Thank You! It's your volunteering that helps keep us a Great meeting place!

This month is the time for our nomination of officers to serve on the 2023 board of directors. If you feel you would like to be on the Club's board of directors, please let someone know so we can get your name on the ballot!

Remember the meeting this month is September 10th because the NCM Anniversary. Hope to see everyone there. Until then, Be Safe!

GARAGE TOUR 2022

August 21, 2022

Our club was invited to visit 2 garages, courtesy of the member-owners Donald and Roger Holt, and Garry and Mary Luterek. 35, give or take, gathered first at the Holt's Bowling Green home. While the threat of rain scared a few from driving their Corvettes, we filled their drive and street with a fine line of (mostly) Corvettes. The brothers showed their garage and their Corvettes to all, then we hit the road for our second stop.

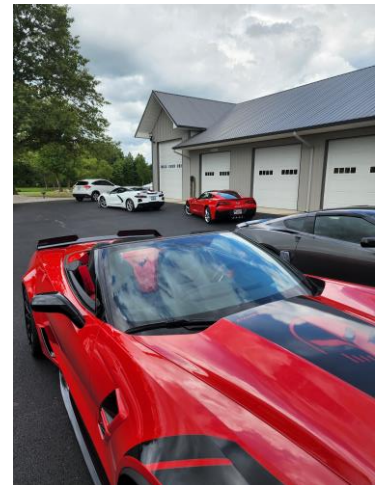

From there we regrouped at the NCM for a caravan to Luterek's country home, 10 miles east of the Motorsports Park. Garry took everyone through his attached garage, then to his outbuilding which houses mechanical workspace, metal shop, restroom, RV garage space, and lawn maintenance equipment room. Garry also took us to his woodwork shop in the basement of their home. Mary provided the ladies with a tour of the house and provided everyone with Mary-made C8 Corvette cookies!

Finally, the caravan reformed and followed Terry over the winding backroads of two counties to the Split Tree Barbeque for dinner.

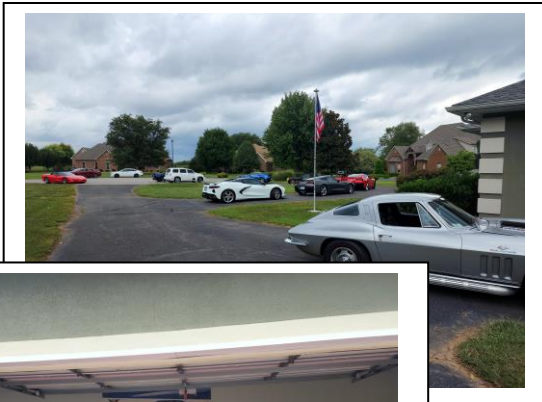

Big, BIG thank you to Donald, Roger, Mary and Garry for their hospitality.

IN MEMORY OF DANNY CLARK

CLBG member Danny “Stingray” Clark passed away Friday, September 2, 2022. Danny has been a member of our club since 2002. He lived in the Glasgow/Barron Lake area and was active in our club as well as area car shows. Members from a few years back remember Danny as being instrumental in setting up the judging criteria for local car shows. He moved back to Louisville several year ago, and, although we did not often see him in person here in Bowling Green, he continued to support our club through his membership.

CLBG MEMBERSHIP ANNIVERSARIES

This is where we celebrate our members who have been with us for 5, 10, 15 or more years.

Congratulations!

Barbara Thompson – 5 Years

Ronnie Miller – 10 Years

David & Miki Wiseman – 10 Years

CORVETTE SUNDAY

August 28, 2022

A sunny day, a beautiful church in a Kentucky meadow, and 27 Corvettes shined to their Sunday best – the makings of another lovely Corvette Sunday. We were once again invited to the Flat Rock Fellowship Baptist Church to enjoy a special service by our own Gene Vincent.

Following the service, the members treated us to a BBQ lunch on the patio. Thank you, Flat Rock!

How many volunteers does it take to help insure a successful event at the NCM?...The answer to that question would fall into the category of dozens and dozens and dozens. The proof of that answer could be seen this past weekend at the 28th Anniversary gathering. All you had to do was gaze across the crowd to find several red t-shirts with Volunteer on the back. These people spent hours scurrying about the grounds performing various tasks. A huge percentage of those people in the red Volunteer t-shirts were CLBG members. Our membership has traditionally stepped in and stepped up to the many tasks. Thanks to all who gave of their time!

A very esteemed group of candidates inducted into the Corvette Hall of Fame. ...On Friday, September 2nd four very worthy people were honored with induction into the Corvette Hall of Fame.

Elfi Arkus-Duntov was inducted in the Enthusiast category. Elfi was right beside Zora throughout the years of development of America's sports car. She always supported Zora...maybe even guided him somewhat. The induction was done posthumously as Elfi passed away in 2008.

Gary Pratt and Jim Miller were inducted in the Racing category. Their knowledge and background experience made Pratt & Miller Corvette Racing the driving force behind the current success of Corvette Racing.

Ed Welburn was inducted in the GM/Chevrolet category. Even though Ed's long journey in Corvette design was not always easy it eventually led him to the position of Global Vice President of Design. Ed was instrumental in the design of the C7 and the current C8.

If you wish to read more about this year's inductees as well as past inductees follow this link:

Ambassador meeting during the Anniversary...During these meetings, each Ambassador is given the opportunity to introduce themselves and identify the Corvette club that they represent. I am always impressed by the state-by-state representation. During the recent meeting 43 Ambassadors were in attendance. They represented clubs from across the country. Huge kudos are always given to the Ambassador program and its importance to the overall promotion of the NCM.

Corvette Raffles ... Currently, raffle tickets are available as follows:

- **2023 Arctic White Corvette Coupe to be raffled on 9/22/2022. Tickets available 905 of 2000. \$100.00 per ticket.**
- **2023 Build Your Own Corvette or \$80,000 to be raffled on 10/20/2022. Tickets available 1292 of 1500. \$250.00 per ticket.**

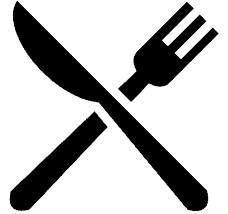

(Tickets can be purchased at: <https://raffle.corvettemuseum.org/>)

RECIPE OF THE MONTH!

Cake Bite Cookies

This cookie is named to describe the experience when eating one. It is very much like taking a bite of a piece of cake. This morsel is very tender, (like an unfrosted piece of cake), not overly sweet (like an unfrosted piece of cake) and very easy to make. I think you will find making it a piece of cake!

Ingredients:

- 1/2 cup butter
- 8 oz cream cheese (block, not tub)
- 2 large eggs
- 1 1/2 Tablespoons vanilla
- 3 cups flour
- 1 1/2 cup granulated sugar
- 2 teaspoon baking powder
- 1 teaspoon salt
- Powdered sugar (use to roll cookies in prior to baking)

Directions:

- Preheat oven to 350 F.
- Cream butter and cream cheese, then add eggs and vanilla and mix until well blended.
- In separate bowl, combine flour, sugar, baking powder and salt.
- Gradually add the dry to the wet and mix until smooth and combined.
- Cover the bowl and refrigerate the dough for at least ½ hour.
- Use 1.5 to 2 Tablespoons cookie dough to form a ball and roll the cookie in powdered sugar to completely coat.
- Place cookies on parchment paper on the cookie sheet and bake for 10-12 minutes.
- Allow the cookies to cool completely on the sheet before removing them from the pan.

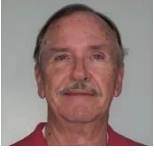

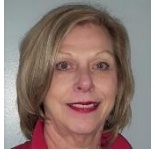

Susan's Notes:

- The dough is sticky when you are forming the balls. I found it easiest to just drop the spoonful of dough into a shallow dish of powdered sugar, and then roll it around in the dish.
